\*NOTES:

1. Current FY09-10 NOAA/NGS award start and end dates are July 1, 2009 and June 30, 2010.
2. UCSD salaries are generally one month behind. For example, September salaries will be reflected in the October financial report. There are some exceptions: a) June salaries are reflected in the June report, because of the University fiscal year end; b) July salaries are reflected in the September report due to processing delays caused by annual adjustments in the SIO payroll system. Thus, salaries for two months (July and August) are included in the September report.
