**\*NOTES:**

1. Current FY0809 NOAA/NGS award start and end dates are July 1, 2008 and June 30, 2009.
2. FY0708 Carry Forward Balance: As requested by Dr. Bock, surpluses and deficits were transferred to zero out the balances; deficits remained in the FY0708 HM Projects.
3. UCSD salaries are generally one month behind. For example, September salaries will be reflected in the October financial report. There are some exceptions: a) June salaries are reflected in the June report, because of the University fiscal year end; b) July salaries are reflected in the September report due to processing delays caused by annual adjustments in the SIO payroll system. Thus, salaries for two months (July and August) are included in the September report.
4. Projected expenses include \$37,744, the balance of the Towill subcontract (FY0708 HM Central Coast Project).
